**Buletin de Analize 6 - [redacted] / ID 604**

Data recoltare: 13/04/2006 Data rezultat: 17/04/2006

Nume: [redacted]

C.N.P.: 1990909270035 Sex: B Varsta: [redacted]

Adresa: [redacted]

Operator: Asiminei P.

Trimis de: [redacted]

Punct de recoltare: Intern

Institutia: [redacted]

| Denumire analiza | Valoare obtinuta | Unitate de masura | Valori normale (min-max) |
|------------------|------------------|-------------------|--------------------------|
|------------------|------------------|-------------------|--------------------------|

**BIOCHIMIE - Analizor automat Lumen, Analizor Semiautomat Erba Chem pro**

|                     |                |        |           |
|---------------------|----------------|--------|-----------|
| Bilirubina totala   | 0.370          | mg/dl  | 0.2 - 1.1 |
| Calciu seric total  | 9.59           | mg/dl  | 9 - 11    |
| Creatinina serica ! | <b>0.680 !</b> | mg/dl  | 0.7 - 1.3 |
| Glicemie            | 86             | mg/dl  | 70 - 115  |
| Magneziu seric      | 1.90           | mg/dl  | 1.6 - 2.6 |
| Sideremie           | 12.39          | mmol/l | 9 - 30    |
| Uree serica         | 34             | mg/dl  | 10 - 45   |

**DETERMINARI DIN MATERII FECALE**

|                                     |                      |  |       |
|-------------------------------------|----------------------|--|-------|
| Examen coproparazitologic (3 probe) | ABSENT OUA PARAZITI. |  | 0 - 0 |
|-------------------------------------|----------------------|--|-------|

**DETERMINARI URINARE - Analizor automat Bayer**

|                 |           |     |   |
|-----------------|-----------|-----|---|
| Examen de urina | REALIZATA | buc | - |
|-----------------|-----------|-----|---|

**HEMATOLOGIE - Analizor automat ABX Micros 60**

|                         |           |      |        |
|-------------------------|-----------|------|--------|
| Hemoleucograma completa | REALIZATA |      | -      |
| VSH/1h                  | 8         | mm/h | 1 - 10 |

**EXAMEN DE URINA :**

>> Bilirubina : Absent

>> Celule epiteliale : Rare

>> Corpici cetonici : Absent

>> Densitate urinara : 1.030

>> Flora microbiana : Absent

>> Glucoza : Absent

Val.minima: 1.015

Val.maxima: 1.030
